

TENRIKYO FACILITY COVID-19 HEALTH CHECK SELF-ASSESSMENT FORM

The safety, health, and well-being of our Tenrikyo Students Association (TSA) members is always our top priority. Due to the highly infectious nature of COVID-19, we ask that all TSA students and staff are fully-vaccinated and tested for COVID-19 prior to the participation of any in-person TSA activity or event. We also ask you to complete the Health Check Self-Assessment Form before arriving to the TSA activity or event. Students and staff should adhere to the most current information released through local and State health agencies, as well as the CDC guidelines. If you aren't feeling well and exhibit any COVID symptoms, even if you are fully vaccinated, we ask that you stay home, and consult your physician or healthcare professional if needed.

The content of this form will remain strictly confidential, and the forms will be shredded after the completion of the event.

NAME:		DATE:	
--------------	--	--------------	--

Have You Been Fully Vaccinated for COVID-19?	
- If Yes, please indicate date(s) and dosage: - Note: Be sure to provide proof of vaccination
